WE THE PEOPLE

1988-1989 COA Yearbook

Dear COA Students,

I sincerely hope you have had a good year at College of The Albemarle — a year filled with learning about the educational program of your choice and about life.

All of us at COA are happy you have chosen to continue your education by enrolling here. Not only is it important because students are the lifeline of our institution, but because a college education is an important element in your future success.

You may have read the U.S. Department of Labor report which says 75 percent of all jobs in the future will require some form of educational training past high school by 1995. Today, one out of every four workers in the United States is a college graduate. This figure has increased during the past ten years because of people like you who realize the importance of a college education and of further training after high school. In fact, a 1987 Census Bureau study found that a high school graduate will earn, on the average, \$350 a month more than a high school drop out. A college graduate will earn about \$670 a month more than someone who did not finish college.

As a student and as a future employee in today's high-tech world, you'll also very likely need additional training during your working years to help you keep up with changes in the job market and in your career field. We hope you will always feel confident in the educational opportunities available at this college and invite you to return to COA when the need arises for further training in this age of life-long learning.

Whether you will soon be a COA graduate or whether you are just getting started here at the college, all of the COA faculty and staff join me in wishing you success and happiness in all of your future endeavors.

Sincerely,

Parker Chesson
President

STUDENT SENATE

The Student Senate is a representative body of student leaders from the various COA campus clubs, and is open to any and all students that wish to participate. Their purpose is to serve the student body by upholding the students rights as according to the Student Constitution, plan and sponsor events that serve the community. We are proud of the Student Senate. They put forth 110% to make COA a wonderful place to go.

The Student Senate has sponsored the COA Children's Christmas Party, gave \$50.00 worth of turkey to the Albemarle Food Pantry, took up food for the needy at Christmas, held several bake sales, and a flea market.

THE BEACON

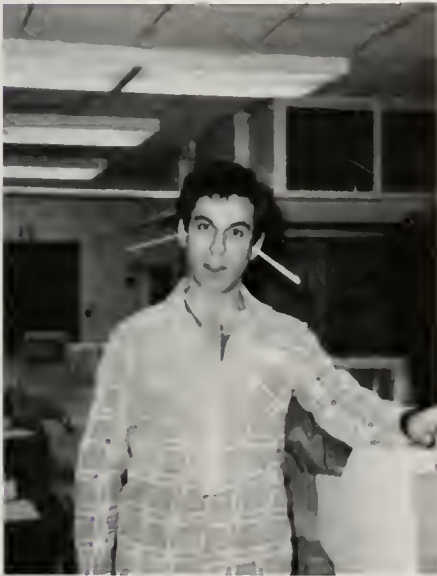

Understaffed and overworked, our staff had some tough obstacles to overcome this year. Still, we managed to put together this year's annual. There were good days, bad days, and downright awful days. But, in the end, we survived (well, more or less). We hope you enjoy the yearbook!

to
Virginia Tillett*

We are proud to dedicate our section of the annual to Virginia Tillett. We admire her commitment to education in Dare County. We appreciate the time she puts forth helping us. But most of all we enjoy having her as a part of our DCC family.

Young Democrats Club Student

Young Democrats — Front Row — Julie Wescott, Gary Wood, Vicki Basnigit, Missy Twyne, Sarah Downing. Back Row — Angela Wood, Student Advisor, Dr. John Whitley, Reema Desai. (Not Pictured) Carol Joyner, Kelly McRee and Wendy DeLeon.

RIGHT — Phi Theta Kappa — Front Row — Wynona McKinney, Betty Daniels, Tilly Riedmiller. Back Row — David Jones, John Richeson, Larry Brinn, President Mary Hunter, Student Advisor Teresa Kerber.

The Young Democrats Club is the newest club to arrive at the Dare County Center. Spearheaded in the fall of '88 by Gary Wood and aided by Student Advisor Dr. John Whitley it has grown into an enthusiastic and committed political group.

The objectives of the Young Democrats Club include promoting the ideals of the Democratic Party in the school and community. Becoming involved in local activities that reflect Democratic ideals. And lastly, educating the community and the college on proposed policymaking of our local, state and national government.

Phi Theta

Phi Theta Kappa is the honor society of community colleges. Candidates are chosen by other members of these criteria — Must (1) have at least a 3.50 average, (2) have attended the Dare County Center for at least 2 full-time quarters and (3) have shown involvement in school activities.

Leaders Campus Concerns Club

Kappa

DCC's PTK President Mary Vicki Hunt led the group in a variety of activities this year. They include (1) Senior Citizens Olympics, (2) Pea Island Beach Sweep, (3) Promotion sales, (4) The PTK Bookstore and (5) adopting a family for Christmas.

Campus Concerns Club — Front Row — Parliamentarian Melissa McAllister, Treasurer Anissa Musick, Assistant Secretary Julie Dukes. Middle Row — President Tina Wescott, Vice-President Reema Desai, Secretary Angela Wood. Back Row — Purchasing Agent Wynona McKinney.

The Campus Concerns Club is open to any student at the Dare County Center. It was originally formed in 1986 for the express purpose of providing hot drinks and a non-smokers lounge for the students. Since then it has expanded into the acting student body government for the school.

Some of the activities sponsored and initiated by the Campus Concerns Club for the 1988'89 school year include the following: (1) A Halloween party and costume contest, (2) a Christmas party, (3) baskets of food for the poor and elderly of Dare County and (4) a Valentines Dance.

For the first quarter of the 1988'89 school year, the officers for the Campus Concerns Club were: President Cindy Wise, VP/Secretary Tina Wescott, VP/Treasurer Reema Desai, Parliamentarian Eric Shults and Purchasing Agent Mark Shults.

Volleyball at DCC

Although this wasn't the best of years for the COA-DCC volleyball team, they have to be commended for trying. No other group of students better exemplified school spirit than them.

Weary DCC warriors Vicki Basnight and Andrian "Sweetpea" Tillett await their next battle.

Right — First things first

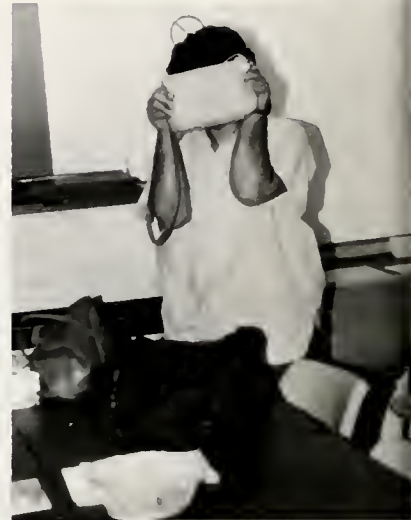

Far Right — The way we did it in New Mexico was . . .

Far Right — "My purse is better than your purse."

Right — "Look out Weight Watchers here I come."

Above — "Not this morning, I haven't done my hair."

"Com'n Mom, just one bite!"

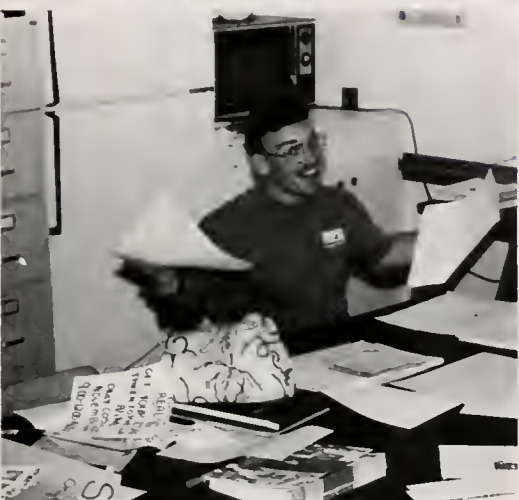

To get it to work properly John, you have to wave your hands and say the magic words "Abracadabra"

Left — Everyone knows this is the correct technique for dictation.

See! The Campus Concerns Club can be fun!!

What can I say, "when you're hot you're hot!"

Left — Don't worry, be happy

Bottom left — Take another picture and your history — understand?

Bottom Right — What do you mean, $6CO_2 + 6H_2O \rightarrow C_6H_{12}O_6 + 6O_2 + H_2O?$

You may think all banks are pretty much alike. At Wachovia, we don't believe that for a minute. We have a way of doing things that's different. It's based on a philosophy we've lived by for over a hundred years. Our way means we look at banking as building relationships, not just taking deposits and making

THE WACHOVIA WAY

loans. It means hiring and training people who won't settle for less than excellence. And having technology with those practical differences that make all the difference in your banking. It's a commitment from every person in our bank to respond to your request or problem before the sun goes down.

It means sometimes being first, but always being best. It's a big order. But that's The Wachovia Way. It's more than what we do. It's how we do it.™
